

# Material Safety Data Sheet

---

## SECTION I – GENERAL INFORMATION

---

### Product Name: Ear Flushing Drying Lotion

Manufacturer: Animal Dermatology Laboratories  
PO Box 19097  
Irvine, Ca 92623  
Telephone: (800) 521-2525  
Fax: (800) 810-5915

---

## SECTION II – HAZARDOUS INGREDIENTS

---

Isopropyl Alcohol Under 30%

---

## SECTION III – PHYSICAL PROPERTIES

---

**Appearance** Blue liquid  
**Odor** Eucalyptus  
**Solubility** Complete  
**Specific Gravity** 0.937  
**Boiling Point** 81 81 100°C/ 177 177 212°F  
**Vapor Pressure** 18.5  
**Vapor Density** 0.7  
**pH level** 4.8±0.2

---

## SECTION IV – FIRE AND EXPLOSION DATA

---

**Flash Point** 24°C/75°F TCC  
**Extinguishing Media** NFPA Class B Extinguisher (CO<sub>2</sub> or foam) for Class 1 C liquid fires  
**Special Firefighting Procedures** Water spray may be ineffective on the fire but can protect fire fighters and cool closed containers. Use fog nozzles if water is used. Used air-supplied breathing masks  
**Unusual Fire & Explosion Hazards** **Flammable!** Keep containers tightly closed. Closed containers may explode if exposed to extreme heat.

---

## SECTION V – REACTIVITY DATA

---

**Stability** Stable  
**Conditions to Avoid** N/A  
**Incompatibility (Materials to Avoid)** Caustics, amines, alkanolamines, aldehydes, strong oxidizing agents, and chlorinated compounds  
**Hazardous Decomposition Products** None  
**Hazardous Polymerization Conditions to Avoid** Will not occur

---

## SECTION VI – HEALTH HAZARD INFORMATION

---

<b>Effects of Overexposure</b>	Headache, dizziness, nausea, incoordination, drowsiness, and loss of consciousness
<b>Probable Routes of Exposure</b>	Ingestion, Inhalation
<b>Eye Contact</b>	Liquid or vapor contact can cause irritation
<b>Inhalation</b>	High concentrations of vapor can irritate respiratory tract and may cause bronchopneumonia or pulmonary edema
<b>Ingestion</b>	May cause marked and persistent nausea, vomiting and abdominal pain. If vomiting occurs following ingestion, aspiration (breathing) of vomitus into the lungs can cause bronchopneumonia or pulmonary edema.

---

## SECTION XII – SPECIAL PRECAUTIONS AND COMMENTS

---

<b>Handling and Storing</b>	<b>Flammable!</b> Eliminate all ignition sources. Keep away from heat, sparks, and open flames. Keep containers tightly closed.
<b>Spill and Leak Procedure</b>	Take up with an absorbent material and place in non-leaking containers. Seal tightly for proper disposal.
