

Material Safety Data Sheet

SECTION I – GENERAL INFORMATION

Product Name: Pet Cologne

Manufacturer: Animal Dermatology Laboratories
PO Box 19097
Irvine, Ca 92623
Telephone: (800) 521-2525
Fax: (800) 810-5915

SECTION II – HAZARDOUS INGREDIENTS

Alcohol SDA 39 C/ 65%

SECTION III – PHYSICAL PROPERTIES

Appearance Clear liquid
Odor Alcohol- Citrus/Peach
Solubility Soluble
Specific Gravity Approx 0.837
Boiling Point 81 100°C/ 177 212°F
Vapor Pressure 18.5
Vapor Density 0.7

SECTION IV – FIRE AND EXPLOSION DATA

Flash Point 24°C/ 75°F TCC

Extinguishing Media NFPA Class B Extinguisher (CO₂ or foam) for Class 1 C liquid fires

Special Firefighting Procedures Water spray may be ineffective on the fire but can protect fire fighters and cool closed containers. Use fog nozzles if water is used. Use air-supplied breathing masks.

Unusual Fire & Explosion Hazards Flammable! Keep containers tightly closed. Closed containers may explode if exposed to extreme heat.

SECTION V – REACTIVITY DATA

Stability Stable

Conditions to Avoid N/A

Incompatibility (Materials to Avoid) Caustics, amines, alkanolamines, aldehydes, strong oxidizing agents, and chlorinated compounds

Hazardous Decomposition Products None

Hazardous Polymerization Conditions to Avoid Will not occur

SECTION VI – HEALTH HAZARD INFORMATION

Effects of Overexposure Symptoms of overexposure include affects as headache, dizziness, nausea, incoordination, drowsiness and loss of consciousness

Probable Routes of Exposure Eye contact, inhalation, ingestion

Eye Contact Liquid or vapor contact can cause irritation

Inhalation High concentrations of vapor can irritate respiratory tract and may cause bronchopneumonia or pulmonary edema

Ingestion May cause marked and persistent nausea, vomiting, and abdominal pain. If vomiting occurs following ingestion, aspiration of vomitus into the lungs can cause bronchopneumonia or pulmonary edema.

SECTION XII – SPECIAL PRECAUTIONS AND COMMENTS

Handling and Storing Warning: **Flammable!**
Keep away from heat, sparks and open flames. Keep containers tightly closed.

Spill or Leak Procedure Eliminate all ignition sources. Take up with an absorbent material and place in non-leaking containers. Seal tightly for proper disposal.
